ASCE Bluegrass Branch Meeting

LFUCG Public Library (Downtown)

12:00 pm

See attached sign-in sheet for meeting attendees.

Meeting Notes:

- This month's charity was God's Food Pantry.
- Joe Young kicked off the meeting with announcements of upcoming Branch events which include the Jarrett's Joy Cart Collection drive from November 18 to December 16. Also, Joe announced that the December meeting will take place on December 2 and will be our annual Angel Tree Service project for the Salvation Army.
- Jon Keeling from ASCE KY Section informed the branch of recent topics discussed at the recent ASCE National Meeting in Memphis, TN. Jon stated that the ASCE organization is pursuing additional requirements (i.e. additional training and/or education) for the application to obtain a Professional Engineering license. Jon also stated that there was discussion with ASCE State delegates concerning the move towards additional lobbying programs which could change ASCE's not-for-profit status. ASCE decided to table this action for now due to the amount of opposition from the delegates.
- Jami Salisbury with AEP/Kentucky Power led a discussion on Kentucky Power's Commercial Incentive Program which provides financial incentives for the implementation of qualified energy efficient improvements and technologies

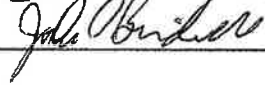

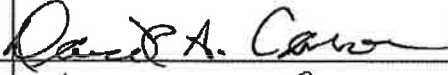

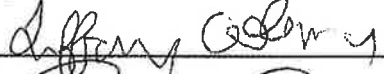

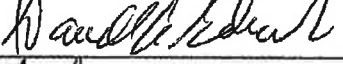

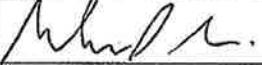

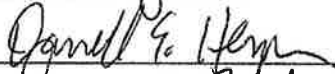

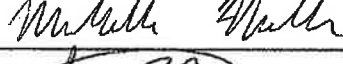

Respectfully Submitted,

Jason Hurt, PE

Secretary
